Proficient MERN stack developer with hands-on experience in building responsive web applications using MongoDB, Express.js, React.js, and Node.js. Adept at API integration.

EDUCATION

MSC in Computer Science — Dr. S.C Gulhane Prerna College Nagpur
CGPA : 7.3 — *Sept. 2023 – May 2025*

BSC in Computer Science — Shri Mathuradas Mohta College of Science Nagpur
Percentage : 67% — *Sept. 2017 – August 2021*

EXPERIENCE

Sky Vision IT Solution — Nov 2024 – May 2024
MERN Stack Developer
- I am working hands-on projects on web development using the MERN stack, which comprises MongoDB, Express.js, React.js, and Node.js. This experience not only enhanced my technical skills but also provided me with valuable insights into the software development lifecycle and collaborative teamwork.

RSE IT Solution Link — Mar 2024 – May 2024
OJT (React JS)
- I completed hands-on OJT in React.js for industrial-level projects, such as a student website. I built dynamic, responsive web applications and gained experience in state management component-based architecture.

PROJECTS

Portfolio Link
